DESCRIPTION
Members of *La quenouille bleue*, a group of troubadours travelling in a schoolbus, are touring 27 cities throughout Quebec. Part of a program called Youth Perspectives, the young artists are technicians, make-up artists, costume designers, and actors. Narrated scenes of everyday life serve as a backdrop for *Le show de vot'vie*. We witness their joys, their games and their discussions. We hear them recount the ups and downs of their last days on a tour which launched the careers of Michel Rivard, Serge Thériault and many others in the troupe.
