RIEN NE VA PLUS

DIRECTOR
Julie-C. Fortier

DURATION
2:10

YEAR
2002

ORIGINAL LANGUAGE
No dialogue

CATEGORY
Video Art

DESCRIPTION
The rotation and hypnotizing effects created in this video performance open an abstract space while at the same time suggesting the world of entertainment through the sound track.

IMAGE FORMAT
4:3

SOUND
Stereo

FURTHER INFORMATION

"Julie-C. Fortier's work questions the act of representation and underlying mechanisms related to this act through video performances and intellations. This way, she structures the frozen aspect of her image and the ways used to animate it. To do this, she creates situations where she exposes herself to various events involving basic special effects usually produced when shooting the videos." [www.juliecfortier.net] (2002)
