QUAND LES "ANGLAIS" JASENT DU QUÉBEC...

DIRECTOR
Cerj Lalonde

DURATION
30:00

YEAR
1979

ORIGINAL LANGUAGE
English
French

CATEGORY
Documentary

DESCRIPTION
This video begins with a short introduction that presents the work's context. It talks about the "referendum timetable", and we learn that four Quebecois, two men and two women, went to the Canadian West to talk about how they understand Quebec nationalism. Throughout the interviews, we hear the same arguments we hear today, either for, against or neutral. The spectrum of people interviewed includes businessmen, mothers, students, retired people, fishermen and immigrants.

WARNING
The quality of this video varies due to older technologies and image degradation.
