

# "C'EST JUSTE UN AUTRE GENRE DE VIE"

**DIRECTOR**

Diane Sorel

**DURATION**

31:15

**ORIGINAL LANGUAGE**

French

**CATEGORY**

Documentary

**DESCRIPTION**

The videomaker met families who decided to live another way, outside of social and economical norms. These people chose to live without common-law and to bring up their children alone or even to live as bachelors: to invert the roles usually attributed to the husband and the wife. They discuss their individual experience, notions of couple and dependence, and the problems they meet in daily life.
