STAROPRAMENNÀ

DIRECTOR
Paul Landon

DURATION
3:30

YEAR
2005

ORIGINAL LANGUAGE
No dialogue

CATEGORY
Video Art

DESCRIPTION
A series of static shots of a hotel room window are repeated several times to give the effect of the window opening and closing on its own. The window looks out *Staropramenna*, a non-descript street in Prague. The repetition is accelerated and altered animated the banal view and redering it mesmerising and hypnotic.
