DE L'ÂME (FIGURES ET ACCIDENTS)

DIRECTOR
Patrice Duhamel

DURATION
27:55

YEAR
1999

ORIGINAL LANGUAGE
French

CATEGORY
Video Art

DESCRIPTION
In a universe that has no chance to exist and where vertiginous appearances prevail, characters languish, speak their lines, recount nightmares, have horrible memories, are alone even amongst others, commit gratuitous crimes, mislead without lying, and are confronted with the mystery of their perdition. They discover that it is possible to be sincere through complete falsity and that the soul is perhaps something that one never approaches.
