# MORT AU ROI : CARNET DE VOYAGE

**DIRECTOR**
Francisco Arevalo

**DURATION**
6:00

**YEAR**
1989

**ORIGINAL LANGUAGE**
French

**CATEGORY**
Video Art

**DESCRIPTION**
It is the Bicentennial of the French Revolution... Death of the Monarchy. I am invited to Paris while he is living his last hours in the seat of power. A few notes during the trip; facts which I manipulate as I please so I can destroy my own chains linking me to a diseased country that beckons me today from afar, to never again... Many thanks, Paris...
