Experimental

DESCRIPTION
We see the reactions of passers-by to a group of masked and mute people waiting in a car parked alongside the curb. It is children who are most captivated by the unusual scene in the area. Jean-Pierre Masse and Claude Forget take the camera and microphone in turn to question them about the situation and ask : "Why does this crew wish you well?". An exploratory essay of the video medium and its public impact, Emile Chevrier, retired from the video *Euphorikabouche* (Normand Jacob, 1973) briefly appears.
