DESCRIPTION
Bobo-Z-Arts is a document produced by a number of artists about the birth of artist-run centres. Creation, distribution, influences, grants and more are some the topics that make up this series of videos. Each title, led by interviewer Normand Thériault is a testimonial. Cozic, Tousignant, De Laval, Lafleur, Mercier, Gnass, Tremblay, Montpetit and Derouin represent a range of creative disciplines. Each presents their view about the place of the artist and the creative process in our society.
