STILLSTAND IN BEWEGUNG

DIRECTOR
Hannah Hallermann
Betty S. Gabel

DURATION
9:00

YEAR
2005

ORIGINAL LANGUAGE
No dialogue

CATEGORY
Video Art

DESCRIPTION
In an apparently frozen universe of strange beauty, in which time seems to stand still, the characters are focusing on their tasks linked to the four elements : earth, fire, wind and water. They seem to be waiting in a cinematographic set-up of living images, for then to fullfill a mission with accuracy. The mission might stay questionable to the spectator.
