2 MINUTES 23

DIRECTOR
Frédéric Lavoie
Sophie Bélair Clément

DURATION
3:52

YEAR
2006

ORIGINAL LANGUAGE
No dialogue

CATEGORY
Video Art

DESCRIPTION
One after the other, two artists use the same object, an electric toaster, in an act of abstract sound processing. They present an accoustic close-up of an everyday object that is rich in aural textures, to which we rarely pay attention. Toast becomes the measure of time.

SOUND
Stereo

SHOOTING FORMAT
MiniDV
