ENTREVUE/VIDÉO AVEC SIMONE LANDRY, PSYCHO-SOCIOLOGUE DES COMMUNICATIONS, SPÉCIALISTE DE LA QUESTION DU POUVOIR

DIRECTOR
Judith Vienneau

DURATION
25:48

YEAR
2004

ORIGINAL LANGUAGE
French

CATEGORY
Documentary

DESCRIPTION
Simone Landry speaks of the concept of the ivory tower used to describe universities and about the way professors are reproached for analysing society without real life experience. She points out that that opening up universities to women has been a factor in the latter's opening up to society. She also remarks on the difficulty women have had in defining their own research topics and their need to detach themselves from men, their masters.
