

## SATELLITE

**DIRECTOR**

Nelson Henricks

**DURATION**

5:48

**YEAR**

2004

**ORIGINAL LANGUAGE**

English

French (on-screen text)

**CATEGORY**

Video Art

**DESCRIPTION**

In the video *Satellite*, Nelson Henricks combines found footage and techno beats to question western society's ongoing obsession with science, technology and the future. Juxtaposing images derived from old educational films with absurd, aphoristic slogans, Henricks offers up a witty, entertaining and provocative commentary of our need to make sense of everything, at any cost.

**SOUND**

Stereo

**SHOOTING FORMAT**

DVCPRO
