DESCRIPTION
A bride, in her white wedding dress, finds her legitimacy only the day of her weddind. In other words, she is wandering, she run away, she lost herself and she is "out of place" everywhere. The married woman waiting vainly for Corto Maltese is a sad woman. She is fragile, forgotten, alone, an outsider. This video is making part of a huge interdisciplinary project by D. Kimm called *La mariée perpétuelle* (The Everlasting Bride).
