DESCRIPTION
Mouthface is a music video freely inspired by the track *On the floor* by Michael Fakesch, from his new solo album *Dos*. *Logorrhoea or logorrhea* (Greek logorrhoia, "word-flux") is defined as an "excessive flow of words" and, when used medically, refers to incoherent talkativeness that occurs in certain kinds of mental illness, such as mania. The spoken form of logorrhoea (in the non-medical sense) is a kind of verbosity that uses superfluous or fancy words to disguise a useless or simple message as useful or intellectual, and is commonly known as "verbal diarrhea" or "diarrhea of the mouth."
