

## TRILOGIE COLOMBIENNE : LES SORCIÈRES DE CERRITO

**DIRECTOR**

Yves Langlois

**DURATION**

6:55

**YEAR**

1986

**ORIGINAL LANGUAGE**

French

**CATEGORY**

Docufiction

**DESCRIPTION**

In a small Colombian village, a tragic and supernatural occurrence resonates. Under the light of a full moon, the laughter of witches can be heard, along with screeching noises and the terrifying cry of a newborn child. Despite the efforts of his grandmother and neighbors, the baby dies in his own blood. Based on fact, this story is retold by the people whose lives it touched several years prior.
