Éric Delayen

**DURATION**

1:00

**YEAR**

2002

**ORIGINAL LANGUAGE**

No dialogue

**CATEGORY**

Video Art

**DESCRIPTION**

Two hands at rest suddenly fidget, wonder, hesitate, decide and get back into expectation. The skin caresses itself, the bones crack, the strokes thunder, then the silence. The sound of the sequence is broadcasted by the loudspeakers. The volume is loud. The whole architecture puts us in a intimacy relationship with the sequence.
