

# VOIX OFF

**DIRECTOR**

Claudine Delvaux

**DURATION**

36:15

**YEAR**

1989

**ORIGINAL LANGUAGE**

French

**CATEGORY**

Fiction

**DESCRIPTION**

Two worlds are involved. The internal world, closed, virtually isolated, with just one tenuous, uncertain link with the other world - the telephone. The other, external world exists only to pass from one sealed-off place to another. Call each other? - you lose your voice before you get an answer: your head spins with non-existent voices. Telephone and answering machines are scheming devices. Just waiting in vain.

**IMAGE FORMAT**

4:3

**SOUND**

Stereo
