MOVING IN SPACE

DIRECTOR
Daniel Dion
Philippe Poloni

DURATION
2:36

YEAR
1982

ORIGINAL LANGUAGE
French

CATEGORY
Video Art

DESCRIPTION
Moving in space is a video which shows its disinterest for the video medium. It's about the degree zero of video. Su Schnee talks to us as an announcer, but at a degree below zero of speech. The discourse becomes then virtual and baroque.

IMAGE FORMAT
4:3

SOUND
Stereo
