Richard Angers
Josée Drolet

DURATION
30:00

YEAR
1984

ORIGINAL LANGUAGE
French

CATEGORY
Documentary

DESCRIPTION
In order to experience life in Colombia, a group of young people aged 17 to 20 stayed in three different regions of the country and over a period of a few months, lived as the locals do. Images of agriculture, education and fishing reveal these young peoples' visions of a country in development. Shot in Mongui, Grenada and San Andrès, this eloquent documentary helps us better understand the realities of everyday life for this country's inhabitants.
