

# SLEEPING CAR

**DIRECTOR**

Monique Moumblow

**DURATION**

5:30

**YEAR**

2000

**ORIGINAL LANGUAGE**

Swedish

**CATEGORY**

Video Art

**DESCRIPTION**

"I get on the train in a small town..." A woman's voice is heard. A narrative resembling an old foreign film - with subtitles, black and white images, and a woman speaking in Swedish - is told on a train. Will she find her lover? The story unfolds in three different ways. As the film progresses, the voice and subtitles begin to drift apart. The train continues on its path.

**SOUND**

Stereo
