DESCRIPTION
Nowhere in North America is motorcycling more popular than in Quebec. However, each year the motorcycle accident rate is consistently higher than that of automobiles. This sobering reality has prompted the production of *Vivre motocycliste*, a complete video documentary on safe driving practices. This educational tool encourages preventative attitudes and demonstrates several useful techniques for safer riding.

Episode # 1 : *La moto : une passion à maîtriser*. Introduction to the social phenomenon of motorcycling; its popularity; Quebec's motorcycle accident file; what makes a good driver?
