

# VISCERA

**DIRECTOR**

Leighton Pierce

**DURATION**

11:05

**YEAR**

2004

**ORIGINAL LANGUAGE**

No dialogue

**CATEGORY**

Video Art

**DESCRIPTION**

"I am trying to evoke a small fraction of the emotional complexities of life. Among other things, I am working with the question of absence and what of a person remains in the memory and imagination when that person is absent. Constructed in three parts, *Viscera* is meant to shift the perceptual stance of the viewer."

Leighton Pierce

**SOUND**

Stereo
