DESCRIPTION

What does it mean to be aboriginal today? The film brings us to Pessamit (formerly Betsiamites), an Innu community on the North Shore of the St. Lawrence. One-on-one with the camera, people speak their minds in surprising and revealing ways. Thirteen members of the community talk about their daily life and their identity, heartaches and hopes. *Betsiamites* is a portrait coloured by their words, a film that forges ties between cultures.
