NEW KAHNAWAKE

DIRECTOR
Olive Martin
Patrick Bernier

DURATION
42:00

YEAR
2010

ORIGINAL LANGUAGE
English
French

CATEGORY
Documentary
Fiction

DESCRIPTION
Incorporating poker, challenges to the law, a struggle for the control of a new territory where the stakes are high, *New Kahnawake* experiments with fiction and documentary. Drawing on western-style analogies, it explores both our relationship to the figure of the Indigenous People and the confusion of our perception of space that new information technology has brought about.
