CITÉS ANTÉRIEURES : SIENA

DIRECTOR
Christian Boustani

DURATION
7:52

YEAR
1992

ORIGINAL LANGUAGE
French

CATEGORY
Video Art

DESCRIPTION
A vision of an ancestral city remembered through the memory of its arid land. The inhabitants die slowly, petrified by an intense heat. Present and past intertwine and crystallize around a horserace : the Palio. Boustani delivers an impressionistic vision of one of Italy's most beautiful cities.

SHOOTING FORMAT
Betacam

KEYWORDS
Ritual, City, Memory, Italy
