Animation

SERIE
Places and Monuments

DESCRIPTION
Through a combination of live shooting, digital processing, and animation, *John Cage - Halberstadt* express the temporal vertigo generated by the rendering of John Cage's piece *Organ2/ASLSP* over a period of 639 years. The images were shot at the 12th change of note, on July 5th 2012, in the Burchardi Church in Halberstadt. This is number 5 in the *Places and Monuments* series.
