TEARS OF EROS

DIRECTOR
Andrée-Anne Roussel
Guillaume Vallée

DURATION
5:12

YEAR
2015

ORIGINAL LANGUAGE
Spanish

CATEGORY
Experimental

DESCRIPTION
Inspired by Georges Bataille's essay *Tears of Eros*, this short hybrid film/video is about erotism and death. Through different analogue manipulations of the image, we are witnessing the psychological and physical decay of the character and the filmic matter.

This project has been created during an artist residency at Vidéographe (Mtl), summer 2014.
