Performance

**DESCRIPTION**

A series of three situations in which the artist performs similar actions: paging through a magazine, slipping on a leather glove, rubbing it with vaseline, caressing herself. Ritual and eroticism.

WARNING

This video contains elements that may not be suitable for some viewers.

The quality of this video varies due to older technologies and image degradation.

FURTHER INFORMATION

The third part was filmed at Véhicule Art (Montréal), an important artist-run center (1972-1983).
