DESCRIPTION
Minoritaires offers an insider perspective on the Mouvement des Insoumis and its members' political actions from 2011 to 2016. Following the Parti Québécois' proposed Quebec Charter of Values in 2013, the Insoumis focused their attention on issues around identity, and their concerns crystallized into a fear of the 'Islamization' of Quebec. The group's ideological contradictions and confusion are slowly revealed before the camera, but so is a troubling familiarity.
