STEVE AND DAN SHOOT EACH OTHER

DIRECTOR
Eric Gaucher

DURATION
5:20

YEAR
2018

ORIGINAL LANGUAGE
No dialogue

CATEGORY
Experimental

DESCRIPTION
Inspired by early forms of visual music, *Steve and Dan Shoot Each Other* engages in the un-rational, unsystematic, and randomness as a form of poetry. The material used in this motion picture stem from a blend of direct animation and computer generated techniques. The final result is a non-representational film that celebrates dissonant colour arrangements of movement and sound.

SHOOTING FORMAT
16 mm
Super 8

KEYWORDS
Abstraction, music, poetry, sounds, chance

THEMES
Art and culture
