PLANT DREAMING DEEP

DIRECTOR
Charlotte Clermont

DURATION
7:12

YEAR
2018

ORIGINAL LANGUAGE
English

CATEGORY
Video Art

DESCRIPTION
Plant Dreaming Deep conveys states of transition, solitude, isolation and uncertainty. Analogue manipulations such as colored filters, thick textures, and psychedelic rhythms bring a unique material quality to the images. Through these visual characteristics, an introspective atmosphere emerges that seems to mask psychic and misunderstood experiences and mysterious symbols.

The video was made in collaboration with experimental musician Émilie Payeur.

SOUND
Stereo
