CATEGORY
Documentary

SERIE
Programme de médiation et d’exploration numérique de Vidéographe

DESCRIPTION
This video is the result of a series of videos made in the spring of 2019 in partnership with Dans la rue as part of a documentary creation workshop. By creating these videos, the young people of Dans la rue have approached the reality of homelessness.

These workshops were given by Simon Gaudreau and Marc-André Labonté and took place as part of Vidéographes's digital exploration and outreach program.
