# RODENTIA

**DIRECTOR**
Elisa Gleize

**DURATION**
13:32

**YEAR**
2020

**ORIGINAL LANGUAGE**
French

**CATEGORY**
Experimental
Fiction

**DESCRIPTION**
My aunt is 60 years old. She is about to undergo a series of injections of cells taken from a heterocephalus -- an animal of great longevity that is immune to all cancers. Speaking to the camera, she describes a very peculiar ritual intended to preserve her body, and potentially induce a change.

*Rodentia* examines the fears and fantasies of the timeworn female body steered by the beauty industry and scientific promises.

**SOUND**
Stereo

**SHOOTING FORMAT**
HD
