HIT

DIRECTOR
Nathalie Bujold

DURATION
16:40

YEAR
2018

ORIGINAL LANGUAGE
No dialogue

CATEGORY
Video Art
Installation

DESCRIPTION
The video tableaux featuring the drummer Michel Langevin (Voïvod) are staged in advance so that animations can be created that accentuate certain aspects and highlight the musician's gestures and the sounds he produces. Geometric constructions, inspired by quilting motifs, multiply to produce a more abstract composition, guided by the sounds.

The video shows HIT I (1 min 43 s).

IMAGE FORMAT
16:9

SOUND
Stereo

SHOOTING FORMAT
HD
