LUCINA ANNULATA

DIRECTOR
Charlotte Clermont

DURATION
4:12

YEAR
2021

ORIGINAL LANGUAGE
French

CATEGORY
Experimental

DESCRIPTION
Sunny. Semantic sequences guide the gaze, a gaze that is sometimes raised, propelled downwards, then too high or motionless in front of an unrecognizable and yet so familiar vision. The images, linked by echoes of chromatic palettes and linear layers, scroll to the rhythm of a voice, reminiscent of an incantation. Sacred.

IMAGE FORMAT
16:9
