# ??? RECITATION

**DIRECTOR**
Jinyoung Kim

**DURATION**
24:32

**YEAR**
2023

**ORIGINAL LANGUAGE**
English
Korean

**CATEGORY**
Documentary
Videopoem

**DESCRIPTION**

Against the backdrop of modern housing estates on the outskirts of Berlin, two East Asian women appear as elusive figures that recite monologues about memories of migration, place and the notion of home. Creating a maze-like structure through sequences of walking, the film touches on the impressions of disorientation that one experiences in familiar spaces in a foreign place.
