DESCRIPTION
« Mother, you know, I'm working on the myth of Persephone.
You are Demeter: the earth mother whose fate is to nourish humanity. You are tied to the upper world of action, fertility, light, and procreation.
Me, I am Persephone, your only daughter, who chose the Underworld, the shadow world of Hades, the unconscious and creation. »

Created in the form of a palimpsest between mythical references and personal mythology, *Persephone* addresses mother-daughter transmission.This short-film meet theatre and visual arts.
