**DESCRIPTION**

About her video, Sylvie Laliberté shares this: "I produce my auteur films at home: I talk a lot, so it's also an action movie. I sing a song by the great Quebec star La Bolduc, which makes it a bit of a musical. A few family memories follow, because in the end, it's mostly a spy movie, since I'm a double agent: half-Italian, half-Quebecer. All in the perspective of someone who knows they're right: because I too, like everyone else, am right — I'm always right."
