

## COMMENT BRICOLER VOTRE RUINE A + B

**DIRECTOR**

Patrice Duhamel

**DURATION**

0:19

**YEAR**

2004

**ORIGINAL LANGUAGE**

No dialogue

**CATEGORY**

Video Art

**DESCRIPTION**

Way beneath any instinct or will, characters get involved in relational prototypes with frenzy or even fierceness. Emptied of any emotion, their world make all wanderings possible. They invent their very own ruin by reproducing relationship failure. They make faces, convulse, train flies. One would believe that is either a mania or a game but it might as well be worse.

**SOUND**

Stereo
