FURTHER INFORMATION

A collaborative project initiated by Nikki Forrest, Annie Martin and Nelson Henricks, who have produced a number of short video works on the theme of 'love'. Each one approaches the theme from a different angle, be it love's generosity, lust, romantic addiction, erotic compulsion, unstable identities, obsession, or the search for love. The resulting catalogue of works creates an index of the different aspects of love that's as dizzying and diverse as our experience of love itself. Currently, this series in progress consists of seven works: *My Heart the Gambler* and *My Heart the Artist* by Annie Martin, *My Heart the Electrician* and *My Heart the Rock Star* by Nikki Forrest, and *My Heart the Optometrist* and *My Heart the Philosopher* by Nelson Henricks. The recently completed *My Heart the Bureaucrat* was the result of a collaboration between Henricks and Halifax-based video and filmmaker David Clark. Like love, this work knows no bounds...
