

LOST

DIRECTOR

Owen Eric Wood

DURATION

0:06

YEAR

2007

ORIGINAL LANGUAGE

English

CATEGORY

Video Art

**DESCRIPTION**

Lost emulates the visual and literal aesthetics of gay dating Web sites to raise questions regarding the status of the Internet as a liberating medium. The anonymity of computer technology allows for the expression of our innermost thoughts and desires, free of consequence. However, is this expression an accurate depiction of who we really are? Or does it merely serve as a venue for socially-unacceptable behaviour at times when we find ourselves lost?

WARNING
