0:01

**YEAR**

1995

**ORIGINAL LANGUAGE**

French

**CATEGORY**

Video Art

**SERIE**

Consumer society

Image not found or type unknown

**DESCRIPTION**

*Sublimation* is the third in a trilogy on the aberrations of consumer society. There are thousands and thousands of objects that one can desire. People work to fabricate objects in order to earn money to be able to buy other objects. However, somewhat like the unattainable star, our most profound needs can never be bought.

**SOUND**

Stereo
