**DESCRIPTION**

*Mouthface* is a music video freely inspired by the track *On the floor* by Michael Fakesch, from his new solo album *Dos*. *Logorrhoea* or *logorrhea* (Greek *logorrhōia*, "word-flux") is defined as an "excessive flow of words" and, when used medically, refers to incoherent talkativeness that occurs in certain kinds of mental illness, such as mania. The spoken form of *logorrhoea* (in the non-medical sense) is a kind of verbosity that uses superfluous or fancy words to disguise a useless or simple message as useful or intellectual, and is commonly known as "verbal diarrhea" or "diarrhea of the mouth."
