

## XXII

**DIRECTOR**

Katherine Liberovskaya

**DURATION**

0:22

**YEAR**

1993

**ORIGINAL LANGUAGE**

No dialogue

**CATEGORY**

Video Art

**DESCRIPTION**

XXII is a contemplative and hypnotizing visual tale, inspired by the Tarot of Marseille. By associations and suggestions, the video places a contemporary look at the symbolism of the traditional cards. The 22 major symbols compose a complex narrative structure of 22 episodes where the lives of 22 characters interconnect. The result is a spontaneous choreography of cards and destinies. This work combines 3-D computer graphics with video esthetics.
