

MOTION OF LIGHT

DIRECTOR

Karl Lemieux

DURATION

0:08

YEAR

2004

ORIGINAL LANGUAGE

No dialogue

CATEGORY

Experimental

DESCRIPTION

Motion of Light, which is comprised of noise music and lines hand-painted directly onto the film, attempts to break free of a visual and sound-based order through abstraction, thereby initiating a process centred on inner sensation. A radical proposition of power inherent in film.

SHOOTING FORMAT

16 mm

FURTHER INFORMATION

"In the case of *Motion of Light*, I wanted to create something with pure noise: abstract imagery with abstract sound." - Karl Lemieux, *INCITE!*
