OPUS-1

DIRECTOR
Pierre Hébert

DURATION
0:04

YEAR
1964

ORIGINAL LANGUAGE
No dialogue

CATEGORY
Animation
Experimental

DESCRIPTION
Abstract film originally made in 1964 and remastered in 2006.

FURTHER INFORMATION

"This delicious film was realised independently one year before he joined the NFB. The soundtrack features an improvisation with friends, slightly reorganized using the same source material when the film was remastered for the 3·DVD set that NFB will soon release with the best of Hébert's work."
