DESCRIPTION
It is year 25 of the TSYN Era. The earth is threatened by a liquid invader. A resistance committee has taken refuge in a huge cellar. Four square pillars support the foundation. Each face of the pillars is guarded by a member of the Resistance. Terril Songe is in charge of this temple. Her day begins with the *Ritual of the 16 faces* as she goes around to say good morning to the members of the Resistance. Terril's companion is a strange mutant bird, the Bird of Nédée.
